

REGISTRAR IN DIFFICULTY POLICY

Purpose

The purpose of this policy is to describe how RVTS provides additional training and support to a registrar who has been identified as a *Registrar in Difficulty* where there are issues or concerns about their:

- a. level of performance *during* training ('performance'); and/or
- b. rate of progression *through* training ('progression'),

which have arisen:

- a. during training;
- b. through the examination or assessment process; or
- c. as a result of an adverse event or in other circumstances.

This policy replaces the *RVTS Remediation Policy*.

Scope

This policy:

- a. applies to all registrars undertaking the current RVTS Training Program ('the program') irrespective of the date they commenced their training.
- b. operates in conjunction with the following policies, standards and systems (as might be amended from time to time), namely the:
 - Performance and Progression Policy
 - Withdrawal from Training Policy
 - Reconsiderations, Review and Appeals Policy
 - Registrar Management System (RMS)
 - RVTS Handbook
 - RACGP Vocational Training Standards
 - RACGP Vocational Training Pathway Examination Eligibility Policy
 - RACGP Fellowship Exams Candidate Handbook
 - ACRRM Training policies
 - ACRRM Fellowship Assessment Handbook.

Policy

The following policy guidelines (where issued) form part of this policy and prescribe the processes to be followed and the forms to be used. In the event of an inconsistency between the policy and the guidelines, the intent of the policy is to prevail.

RVTS

will take all reasonable steps to:

- a. monitor the health and well-being of registrars enrolled in the program;
- b. monitor registrars':
 - performance (during training);
 - progression (through training); and
 - timeliness in:
 - completing their training assessments; and
 - sitting and passing their College examinations.
- c. monitor registrars' training as required by the program; and
- d. respond to any adverse events or circumstances concerning a registrar that are brought to their attention.

Registrars

are responsible for:

- a. monitoring their health and well-being;
- b. their training performance and progression;
- c. practising safely;
- d. regularly checking the RVTS RMS to monitor progress through training and to ensure that other data is current and correct;
- e. monitor and manage their training performance against their expected rate of progression through training;
- f. manage assessment requirements and completion timeframes;
- g. respond to RVTS reminders and/or requests;
- h. the timely completion of their training assessments;
- i. sitting and passing their examinations as and when required; and
- j. meeting their training obligations and requirements.

Policy Statements

1. Registrar performance and progression will be managed according to the Performance and Progression policy.
2. As outlined in the registrar performance and progression policy registrars will be monitored with specific reference to, and not limited by, a registrar's:
 - data entries and statements in the RVTS RMS;
 - training reports from their MEs and/or supervisor, and/or RTC, and/or clinical teaching visitor;
 - training assessments and outcomes;
 - attendance at mandatory workshops, webinars and other structured teaching activity;
 - examination and assessment outcomes and timeliness;
 - completion of RVTS online modules;
 - participation in RVTS online forums;
 - presentations at webinars; and
 - other relevant College assessments and requirements

3. Factors which may be considered for a Registrar to be managed under this policy include:
 - failure at FRACGP and/or FACRRM exam segments;
 - failure to comply with mandatory requirements of training without reasonable explanation;
 - failure to notify change of circumstances;
 - unsatisfactory reports in RVTS formative assessment; or
 - other significant documented concern from external organisations e.g. AHPRA, Medical Board of Australia, Colleges etc.
4. Registrars identified under clause 2 as not meeting these requirements may enter:
 - 1st stage remediation - Focused Learning Intervention (FLI); or
 - 2nd stage remediation.
5. Performance Improvement Plans (PIP) are required at each stage and are to be prepared by the RVTS Remediation Medical Educator (RME) and in consultation with the registrar, RTC and/or supervisor.
6. The terms of the PIP must:
 - a. be agreed to by the RME, supervisor and the registrar;
 - b. address the underlying issues in relation to the registrar's performance and progression;
 - c. include measurable outcomes that will assist the registrar to address the performance or progression issues or concerns;
 - d. contain timeframes for completion;
 - e. be signed by the registrar; and
 - f. be accompanied by a formal agreement that the registrar will complete the PIP.
7. Registrars who are to be managed under this policy may be advised not to sit any College summative assessment pending the satisfactory completion of the approved PIP.
8. Registrars who fail or unreasonably refuse to enter into a PIP under this policy (as required) will be referred to the CEO for consideration under the *Withdrawal from Training Policy*.

Management of First Stage Remediation - Focused Learning Intervention (FLI)

(refer also: *Diagram 1 – Stage 1 FLI process flowchart below*)

9. Registrars will require a focused learning intervention under the following circumstances:
 - failure at any one segment of FRACGP and/or FACRRM Fellowship exams;
 - failure to comply with mandatory requirements of training without reasonable explanation;
 - failure to notify change of circumstances;
 - unsatisfactory reports in RVTS formative assessment; or
 - other significant documented concern from external organisations e.g. AHPRA, Medical Board of Australia, Colleges etc.

10. Where a registrar is identified as Registrar in Difficulty by the RME under this policy, RVTS will:
- a. arrange a tele-meeting with the registrar, the RME and RTC to discuss the intention to manage the registrar under the Registrar in Difficulty policy;
 - b. notify the registrar's Supervisor;
 - c. counsel the registrar to withdraw from College summative assessments if appropriate;
 - d. develop a PIP in conjunction with the registrar and record the plan in the registrar's file (with copies of correspondence, notes and other relevant information);
 - e. notify the registrar (in writing):
 - that they are to be managed under this policy;
 - of the reasons why they are being managed under the Registrar in Difficulty policy;
 - that they are required under clause 3 to enter into a PIP to address the issues or concerns.
 - f. ensure the registrar:
 - is involved in the preparation of the PIP;
 - agrees to the terms of the plan and signs the plan;
 - is provided with feedback that clearly articulates the areas of concern and the standard that the registrar is expected to achieve; and
 - is provided with access to learning materials and appropriate support inclusive of pastoral and/or peer support for the duration of the plan.
11. Performance Improvement Plans (PIP) must:
- be in writing and reflect what was agreed to by the registrar;
 - be dated and signed to by the registrar and RME;
 - detail and provide written feedback outlining the issues or concerns to be addressed and the responsibilities of the registrar and the other parties under the plan (including supervisor, and RTC);
 - detail what is required of the registrar to address the issues or concerns, how it is to be done, the expected (and agreed) outcomes and the relevant timeframes for completion;
 - detail the additional training and support (if any) required;
 - outline the budget requirements (if any) to support the plan;
 - identify who will have oversight of the registrar and monitor the plan for progress and achievement; and
 - set out any other material relevant to the plan.
12. Following completion of a focused learning intervention, the registrar will:
- have satisfactorily met the requirements of the FLI and will return to regular training;
 - move to 2nd stage remediation; or
 - exit the program under the Withdrawals Policy.

Management of Second Stage Remediation

(refer also: *Diagram 2 – Stage 2. Management - Remediation process flowchart below*)

13. A registrar is managed under Stage 2 of the Registrar in Difficulty program when:
- requirements or outcomes of Stage 1 (FLI) have not been met;
 - where a registrar immediately moves into stage 2 owing to serious performance issues; or
 - where a registrar has failed two attempts at any segment of either RACGP or ACRRM Fellowship examinations.

The RME will determine if a registrar is to be placed into 2nd Stage Remediation. Under this policy, RVTS will:

- a. arrange a tele-meeting with the registrar, the RME and RTC to discuss the intention to place the registrar into 2nd Stage remediation;
 - b. notify the Supervisor;
 - c. counsel the registrar to withdraw from College summative assessments if appropriate;
 - c. develop a PIP in conjunction with the registrar and record in registrar's file (with copies of correspondence, notes and other relevant information);
 - d. notify the registrar (in writing):
 - that they are to be managed under this policy;
 - of the reasons why they are being managed under the Registrar in Difficulty policy; and
 - that they are required under clause 3 to enter into a PIP to address the issues or concerns.
 - e. ensure the registrar:
 - is involved in the preparation of the PIP;
 - agrees to the terms of the plan and signs the plan;
 - is provided with feedback that clearly articulates the areas of concern and the standard that the registrar is expected to achieve;
 - is provided with appropriate support and learning materials inclusive of pastoral and/or peer support during the duration of the plan;
 - is advised that failure to demonstrate adequate improvement in performance or non-adherence to the PIP can mean withdrawal from the training program (under the *Withdrawal from Training Policy*);
 - is provided with the *Reconsiderations, Review and Appeals Policy*.
14. Performance Improvement Plans (PIP) must:
- be in writing and reflect what was agreed to by the registrar and the RME;
 - be dated and signed to by the registrar and copied to the registrar's supervisor;
 - be approved by the RME;
 - detail the responsibilities of the registrar and the other parties under the plan (including supervisor, DOT, CEO, RTC);
 - detail what is required of the registrar to address the issues or concerns, how it is to be done, the expected (and agreed) outcomes and the relevant timeframes for completion;

- set out the consequences for failing to adhere to the agreed PIP;
- detail the additional training and support (if any) required;
- outline extra resources to be provided by RVTS (if any) to support the plan;
- identify who will have oversight of the registrar and monitor the plan for progress and achievement; and
- set out any other conditions relevant to the plan.

15. A PIP will commence on the date of approval by the RME or on the agreed date of commencement set out in the plan, whichever is the earlier.

Approvals

16. The DOT is notified that a registrar is to be managed under the Registrar in Difficulty policy and that the registrar is required to meet the requirements of a PIP.

17. Where a proposed PIP is approved then the RME must:

- a. notify the registrar in writing of the approval;
- b. provide a copy of the approved plan to the registrar and the registrar's supervisor and SME;
- c. place a copy of the PIP, the agreement and the approval in the registrar's file;
- d. advise the registrar of any additional requirements (including any progress report requirements) in writing and provide a copy to the registrar and the registrar's supervisor.

Non approvals

18. Non-approved plans will be returned for amendment and/or further discussion and be resubmitted for approval.

Unsuccessful remediation

19. Registrars approved for support under this policy who do not complete the PIP (as required) to the reasonable satisfaction of RVTS will be referred to the DOT / CEO for consideration under the RVTS Withdrawal from Training Policy.

Refusal to comply

Registrars approved for support under this policy who refuse to complete the remediation plan (as required) shall be withdrawn under the RVTS Withdrawal from Training Policy.

Definitions

TERM	DEFINITION under this policy
Performance Improvement Plan (PIP)	A Performance Improvement Plan (PIP) is a documented plan that outlines the agreed steps and actions that will be undertaken by a registrar managed under the <i>Registrar in Difficulty Policy</i> . In either stage, a registrar is required to develop a PIP in conjunction with the RME and RTC including measurable outcomes that a registrar must meet in order to continue their training.
Additional training and support	Additional training and support can include: <ul style="list-style-type: none"> • greater oversight by supervisor or RVTS ME • increased contact by RVTS ME or RTC • a structured program delivered by an RVTS ME • other forms of support by RVTS or stakeholders involved in registrar training
Adverse Events	Adverse events are defined as incidents in which harm resulted to a person receiving health care. Some of these adverse events may be preventable. Includes notifiable conduct as defined by the Medical Board of Australia
Notifiable conduct	Notifiable conduct by registered health practitioners is defined as: <ul style="list-style-type: none"> • practising while intoxicated by alcohol or drugs • sexual misconduct in the practice of the profession • placing the public at risk of substantial harm because of an impairment (health issue), or • placing the public at risk because of a significant departure from accepted professional standards.
Director of Training (DOT)	The Director of Training (DOT) has overall responsibility for the structure, delivery and quality of the RVTS Training Program. The DOT is responsible for educational leadership, coordination of the medical educator team, education planning, remediation and evaluation.
Medical Educator (ME)	RVTS Medical Educators (MEs) are responsible for delivery of elements of the RVTS education plan.
Remediation Medical Educator (RME)	RVTS Remediation Medical Educator (RME) is responsible for registrars managed under Stage 1 and Stage 2 of the Registrar in Difficulty Policy. The RME is responsible for implementing and monitoring Performance Improvement Plans (PIP) for registrars undertaking a focused learning intervention or in second stage remediation.

TERM	DEFINITION under this policy
Supervisor	RVTS supervisors provide distance supervision, professional role modelling, one to one teleconference teaching, feedback, regular telephone advice and professional support to the registrar.
Registrar Training Coordinator (RTC)	Registrar Training Coordinators (RTCs) are members of the administration team. The role of the RTC is to be an accessible first point of contact for registrars, providing training advice, monitoring registrar progress and to be a referral point for registrars to specialised training advice within the organisation.
1 st stage remediation - Focused Learning Intervention	The Focused Learning Intervention (FLI) is the first stage for a registrar managed under the <i>Registrar in Difficulty Policy</i> . The FLI is a formal management process where a registrar has been identified as not meeting RVTS performance and progression standards. In this first stage, a registrar is required to develop a formal Performance Improvement Plan (PIP) as part of the FLI. The PIP is signed by the registrar and the RVTS RME. The performance of the registrar is assessed by RVTS over a defined timeframe. If the registrar is deemed to have successfully met the FLI requirements, the registrar continues with their normal training. If the registrar does not meet the requirements of the PIP, the registrar proceeds to the second stage remediation.
2 nd Stage Remediation	A registrar is placed on 2 nd stage remediation when they have not met the requirements of the Focused Learning Intervention (FLI), or where a registrar has been identified as not meeting RVTS performance and progression standards. In this second stage, a registrar is required to develop a Performance Improvement Plan (PIP) which is signed by the registrar and the RVTS RME. The performance of the registrar is assessed by RVTS over a defined timeframe. If the registrar is deemed to have successfully met the formal remediation requirements, the registrar continues with their normal training. If the registrar does not meet the requirements of the improvement plan, the registrar may be withdrawn from the training program.

TERM	DEFINITION under this policy
Performance	A standard by which registrars are assessed as having fulfilled the training requirements at the minimum required standard or level of attainment during training. In the event that the registrar has not satisfied the progression rules, they are deemed to be a registrar to be managed under the <i>Registrar in Difficulty Policy</i> and can be placed on a Stage 1 Focused Learning Intervention (FLI) or Stage 2 Remediation for unsatisfactory clinical and / or assessment performance.
Progression	A standard by which registrars are assessed as having fulfilled the training requirements at the minimum required standard or level of attainment during training that permits a registrar to continue training. It is the rate of progression through the training program including completion of examinations (summative examinations conducted by the RACGP or ACRRM), other assessment (formative assessment delivered and conducted by the RVTS) and attendance at mandatory workshops, webinars and other teaching opportunities as prescribed by the RVTS Training Program. This includes failure to complete assessment items or poor performance in assessment items which may prevent a registrar from progressing to the next stage of training.
Training Review	A documented process that examines and evaluates the work performance and training progression of a registrar against the RVTS Training Program requirements and against RVTS standards. A training review is conducted by a supervisor and RTC (may include an ME). The review occurs twice yearly throughout the training program and informs the development of the registrar's training plan. The outcome of a training review could determine whether a registrar is managed under the <i>Registrar in Difficulty Policy</i> .
Support person	A support person supports a registrar and does not act as a spokesperson or advocate for the registrar.
Training reports	These are documented reports from supervisors, MEs, RME, RTCs, clinical teaching visitors and other stakeholders that provide feedback on registrar performance.
Underperformance	Is where a registrar does not meet the required minimum standard of performance.

Responsibilities

The CEO/Director of Training, Supervisors, Registrar Training Coordinators, and Medical Educators are responsible for the implementation of this policy. RVTS Registrars are responsible for adhering to the terms of this policy.
