RVTS ENHANCED TARGETED RECRUITMENT PILOT

The Remote Vocational Training Scheme (RVTS) is assisting the recruitment of doctors to targeted remote communities with high medical workforce need by including the RVTS GP Vocational Training program as a component of the doctor recruitment package.

The RVTS Targeted Recruitment strategy is an Australian Government Initiative. Since the first appointment under the RVTS Targeted Recruitment pilot in 2018, RVTS has successfully assisted the recruitment of 18 doctors to locations with high medical workforce need across Australia, supporting 22 communities, including six Aboriginal Medical Services.

RVTS Training is a four-year GP training program delivered by Distance Education and Remote Supervision leading to Fellowship of the ACRRM and/or RACGP. RVTS Training is fully funded by the Australian Government. Targeted Recruitment locations may also be eligible for Salary Support funding from the Australian Government.

Location

The picturesque township of Streaky Bay is situated on the coastline of Western Eyre Peninsula in South Australia located 110km (one hour) from Ceduna, 300km (three hours) from Port Lincoln and 380km (four hours) from Whyalla. Flights to Adelaide are available from Ceduna.

Attractions

The area boasts endless sandy beaches, countless fishing spots and some of SA's best surfing beaches along a spectacular coastline. The town has great cafes, boutique style retail shops, sporting and fitness groups, with a friendly local community.

Housing

Housing can be negotiated within the employment contract. Streaky Bay is a vibrant regional community experiencing significant growth - this growth will create many local opportunities. The current median house price is an affordable \$340,000 (mid range).

Education

Streaky Bay has an area school, catering for preschool through to year 12. There is a private and public primary/secondary school also located in Ceduna.
