Registrar Resources Policy

Purpose

This policy outlines the Resources supplied by the Remote Vocational Training Scheme Ltd (RVTS) to registrars training in the RVTS program.

Policy

Resources which will be supplied throughout the registrar's training with RVTS will include:

- Registrar membership of nominated College [1]
- Pre-exam courses through ACRRM and RACGP [2]

Registrars will also have a choice of 3 additional resources from the following list:

- Murtagh's General Practice
- UpToDate subscription
- GPRA Exam Handbook
- BMJ Best Practice
- Australian Medicines Handbook
- e-Therapeutic Guidelines

(1) *Institutional license providing access to the ACRRM Online Learning Platform is offered to registrars not on the ACRRM training pathway requesting access to ACRRM resources.*

(2) *Pre-exam courses need to be offered directly by the respective College. Cost of registration will be refunded on completion of the Course and presentation of tax invoice. Only one course will be subsidised per registrar. For registrars undertaking both pathways one course per college pathway will be subsidised.*

Process

Registrars will indicate which resources they require as part of the enrolment process.

This Policy will be administered by the Registrar Training Coordinators.

Responsibilities for the policy

The Director of Training, Operations Manager, Medical Educator Mentors, Training Support Manager, and all Registrar Training Coordinators are responsible for the implementation of this policy.
